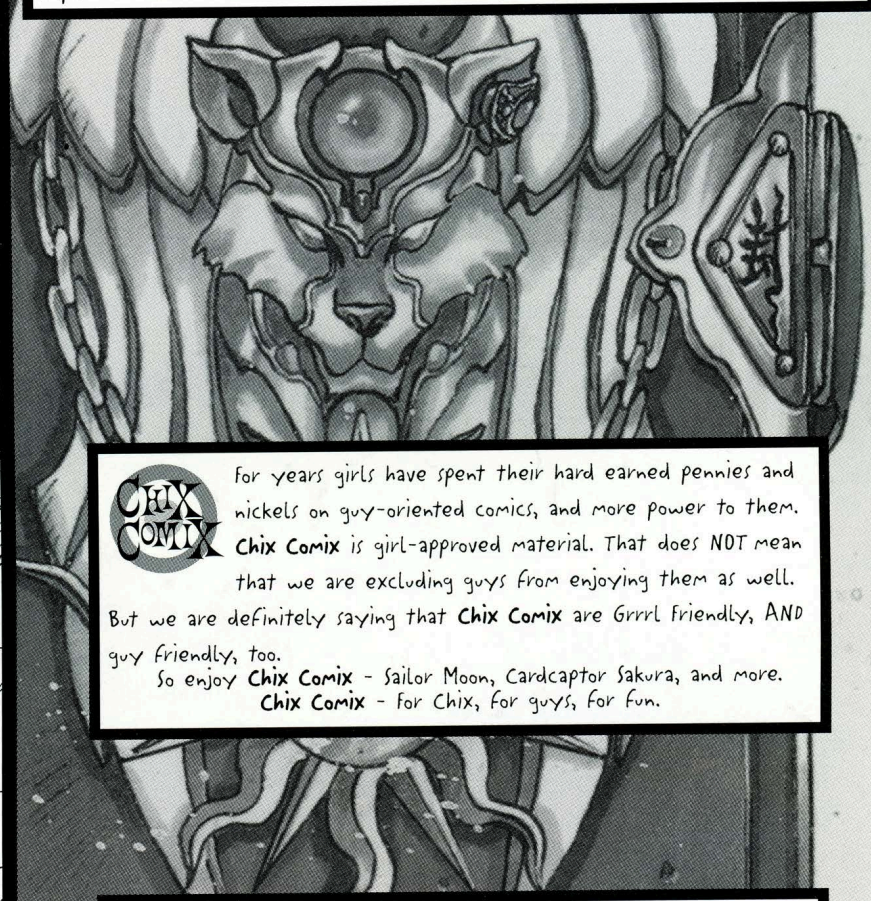
SAKURA KINOMOTO

"If the seal is broken, disaster will befall this world!"

Sakura Kinomoto was just your average 4th grader—loved P.E., hated math. Until...

One day, while looking through her father's library, Sakura found The Clow, an enchanted book designed to hold a set of magical Clow Cards. But when Sakura opened the book, it was empty. Talk about disasters!! Kerberos, the Creature of the Seal, emerged from the cover of the book and told Sakura the cards must be returned to the book. "If the cards aren't in the book, they come to life and do evil!" Kero formed a contract with Sakura making her Cardcaptor. And together with Kero and best friend Tomoyo, Sakura embarked on a mystical journey to capture all the Clow Cards before they wreak chaos and destruction.



CHIX COMIX

For years girls have spent their hard earned pennies and nickels on guy-oriented comics, and more power to them. **Chix Comix** is girl-approved material. That does NOT mean that we are excluding guys from enjoying them as well. But we are definitely saying that **Chix Comix** are Grrrl Friendly, AND guy friendly, too.

So enjoy **Chix Comix** - Sailor Moon, Cardcaptor Sakura, and more.

Chix Comix - for Chix, for guys, for fun.

That's all for today.
Thank you!
WHOOSH
That was hard.
I'm tired.
I want ice-cream.
A kid's leg got tugged at the pool again. They almost drowned.
Scary!
The teacher said that they would have to shut down the pool if they can't figure out what the problem is.
Flashback
SNIPE
If I use all four together...!

MMMMMMMMM
Nah, impossible.
WINDY can't win against WATER.
WINDY has a kind streak.
You gather it in one place and stop it from spreading.
That's impossible with the cards you have now.
End flashback
ahhh
I'm OK.
You always have energy?
Never give up!
Practice was really hard today.
Even if you get hit in the nose with your baton?
It's hard to catch the shapeless ones, like water.
You're tired today, Sakura.

I have to capture WATER soon.
WHOOSH
Or someone will drown.
But...
How do I catch water?
Sakura!
Yuki!
